6+

Premium Brands

Carcass & Materials

Board carcass built with HDHMR, Boilo, CenturyPly 710, and Club Prime for superior strength and moisture resistance. Shutter finishes available in Acrylic, UV, Ornamatte, Membrane, and PU to match your style.

Hardware & Accessories

Premium channels and hinges from Hettich, Hafele, and Blum for smooth, durable operation. Rehau skirting for a seamless finish and PV legs for sturdy base support. Every component chosen for long-lasting performance.

Action Tesa Wooden Flooring

Bring natural warmth and timeless elegance to your spaces with Action Tesa's premium wooden flooring. Crafted with high-quality wood textures and an embossed finish, these floors are built to impress and endure.

01

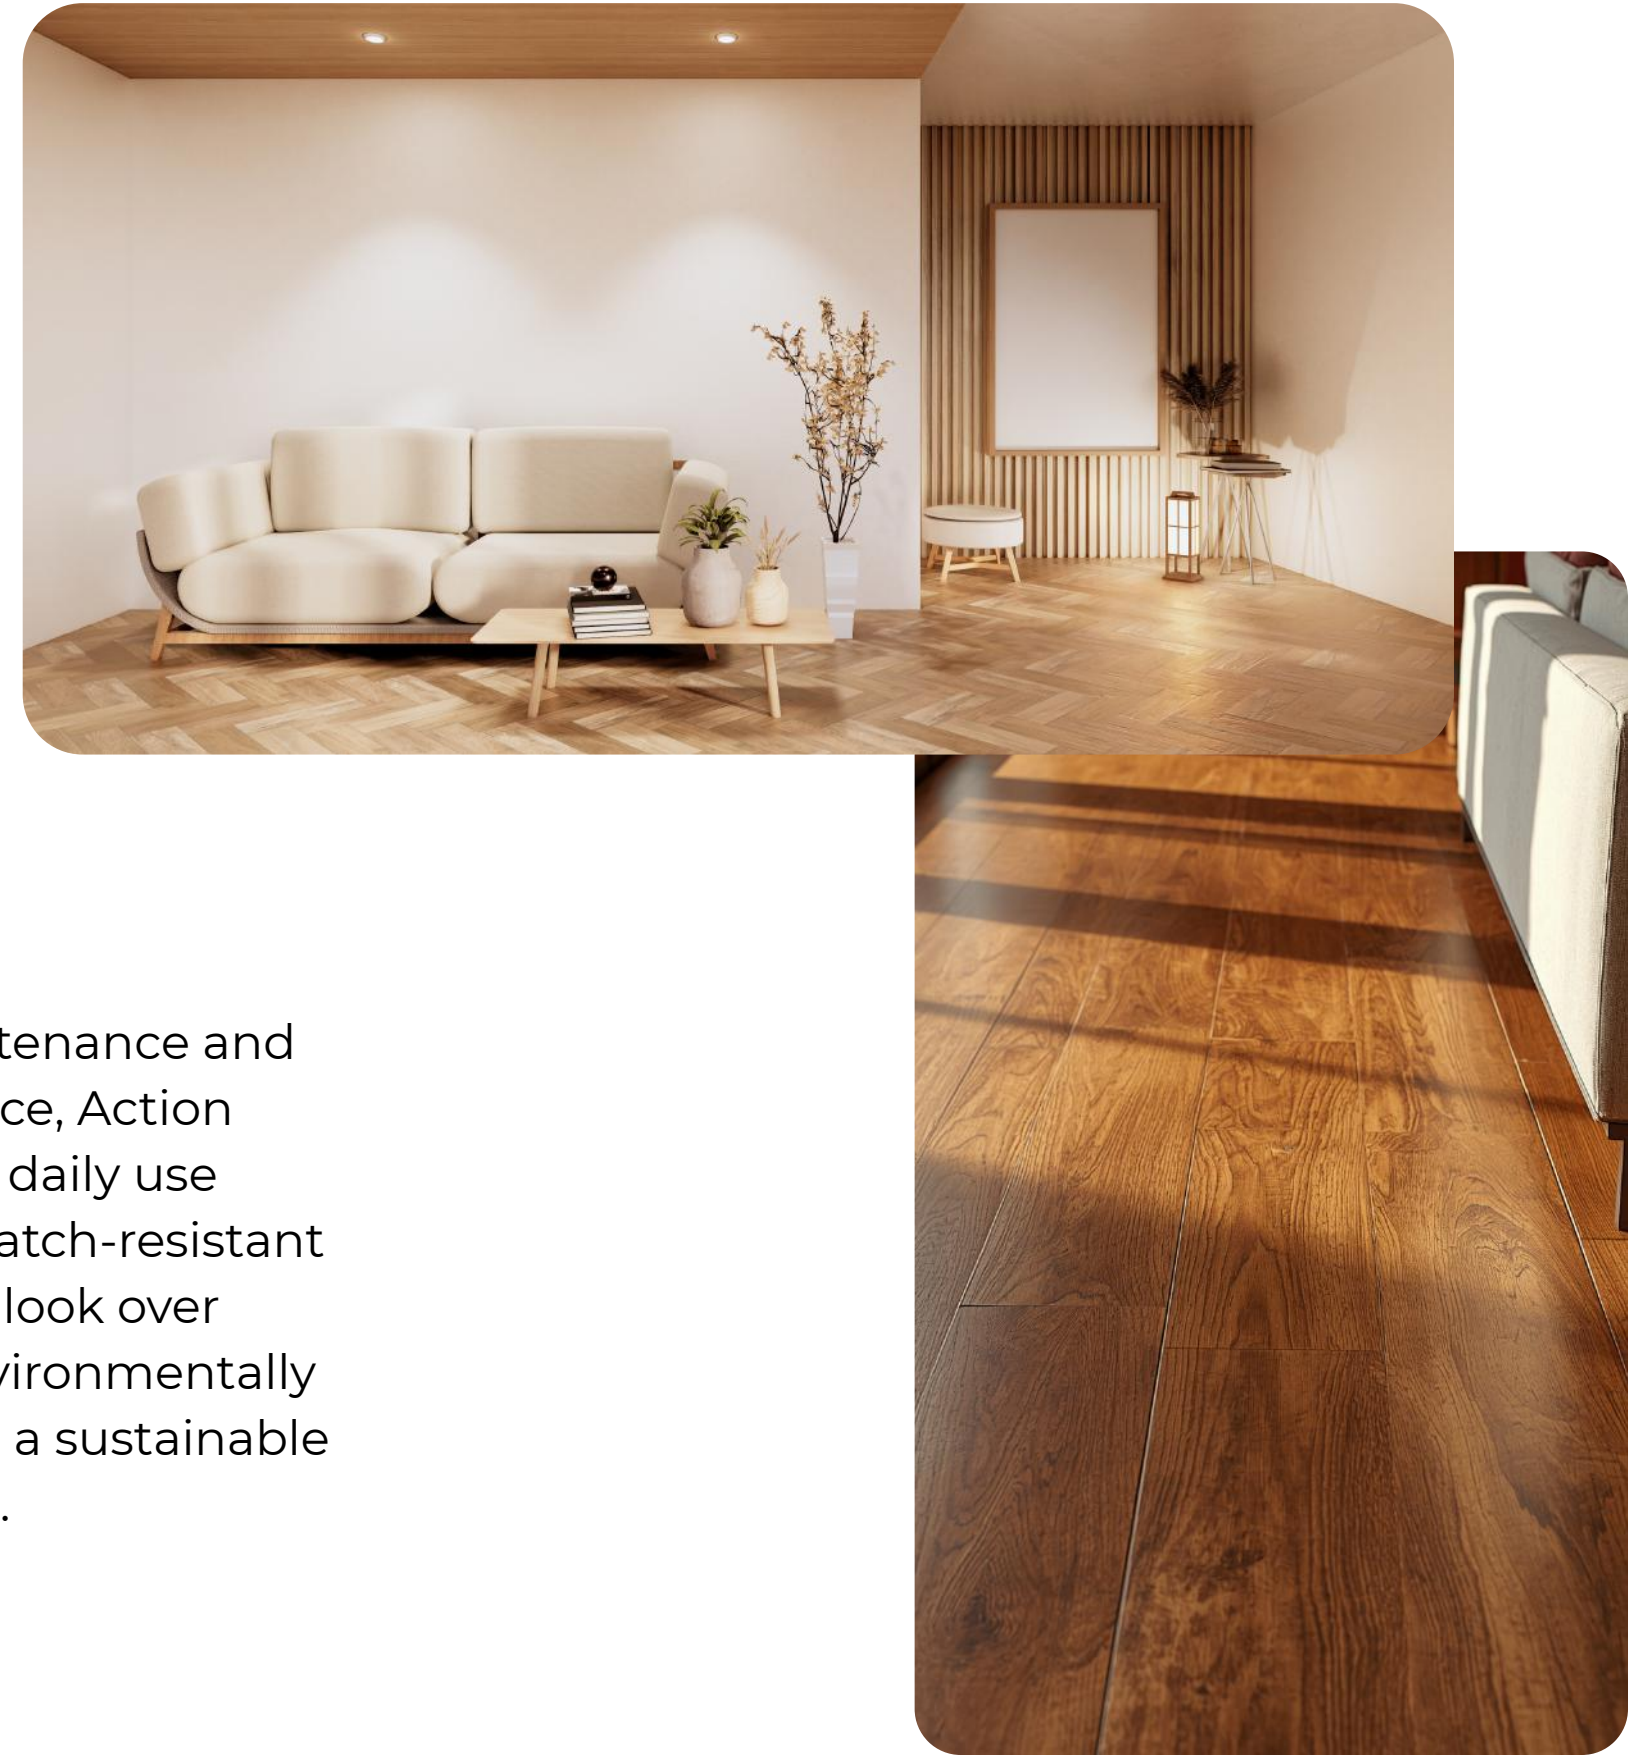

Quality & Style

High-quality wood textures featuring a rich embossed finish that replicates the natural grain and depth of real hardwood. Adds warmth, character, and lasting elegance to any living space, kitchen, or bedroom. Available in a wide range of tones and patterns to suit every interior style.

02

Durability & Care

Engineered for easy maintenance and long-lasting wear resistance, Action Tesa flooring stands up to daily use with minimal upkeep. Scratch-resistant surface ensures a pristine look over time. Responsibly and environmentally sourced materials make it a sustainable choice for modern homes.

Hill Tuff Interiors

Action Tesa's embossed HDF boards and Premium Laminates deliver premium wall panels, and furniture surfaces with rich textured finishes. Designed for versatility, these boards combine structural strength with stunning visual depth — perfect for modern modular interiors.

Embossed HDF Boards

Versatile design options with textured finishes to suit every style. Scratch and moisture resistant for long-lasting performance in living spaces. Enhances visual appeal with premium laminate surfaces that replicate natural wood, stone, and fabric aesthetics.

Premium Laminates

From sleek matte finishes to bold embossed patterns, laminates transform cabinetry and furniture into design statements. Durable, easy to clean, and available in an extensive palette — elevating every interior with lasting elegance and refined craftsmanship.

Customized Wardrobes

Transform your bedroom storage with our bespoke wardrobe solutions. Designed to maximize space and complement your interior style, our customized wardrobes combine functionality with premium aesthetics.

Carcass & Materials

Board carcass built with HDHMR, Boilo, CenturyPly 710, and Club Prime for superior strength and moisture resistance. Shutter finishes available in Acrylic, UV, Ornamatte, Membrane, and PU to match your style.

Hardware & Accessories

Premium channels and hinges from Hettich, Hafele, and Blum for smooth, durable operation. Rehau skirting for a seamless finish and PV legs for sturdy base support. Every component chosen for long-lasting performance.

Smart Storage Solutions

Maximize every inch of your wardrobe and kitchen with intelligent storage mechanisms from premium European brands. Designed for effortless access, organized living, and long-lasting durability.

✓ Wardrobe Mechanisms

Pull-out hanger rods for easy garment access. Pull-out trouser racks for wrinkle-free storage. Hidden lockers for valuables and jewelry. Tie & belt organizers, shoe pull-outs, and ironing board pull-outs. Soft-close sliding systems by Hettich, Hafele, and Blum.

✓ Kitchen Mechanisms

BPO (Base Pull-Out) units for deep cabinet access. Magic corners and S-pull-outs to utilize blind corner space. Cutlery trays, plate organizers, and bottle pull-outs. Tall unit pantry pull-outs, tandem boxes, and cargo baskets. All hardware from Hettich, Hafele, and Blum.

Customized LED Panels

Elevate your interiors with our customized LED wall panels. Designed to add texture, depth, and a premium finish to your walls, our panels transform plain surfaces into stunning feature walls for living rooms, bedrooms, and offices.

Design & Materials

Available in MDF, HDF, HDHMR, Boilo, Plywood options. Wide range of textures including wood grain, fluted, PU-coated and geometric patterns. Moisture-resistant and termite-proof for long-lasting durability.

Applications

Perfect for TV unit backdrops, bed headboard walls, office reception areas, and accent walls. Easy installation with concealed fixing systems. Low maintenance surfaces that are scratch-resistant and easy to clean.

HILL TUFF ENTERPRISES

KalingaStone Quartz & Nirali Sinks

Discover the perfect combination of durable quartz countertops and premium stainless steel sinks — engineered to bring elegance and functionality to your modular kitchen.

01

KalingaStone Quartz

Non-porous and stain resistant surface for effortless cleaning. Elegant stone aesthetics available in multiple color options to complement any kitchen style. Highly durable and scratch resistant, KalingaStone Quartz countertops offer lasting beauty with minimal upkeep — ideal for busy modern kitchens.

02

Nirali Sinks
