About Action TESA

The Action Group, one of India's largest business conglomerates, was established in the early 1970s under the guidance of Shri N. K. Aggarwal, a respected leader, visionary, and philanthropist. Its journey began with Action Shoes, a footwear brand that quickly gained popularity and became a household name. Driven by a spirit of continuous growth, innovation, and a commitment to excellence, the group has diversified its operations across multiple sectors including footwear, electronics, real estate, chemicals, flex manufacturing, coal mining, and engineered wood panel products.

Recognizing the anticipated future increase in demand for MDF, the group proactively expanded its portfolio to include the manufacturing of Particle board & MDF, along with a range of value-added products such as HDHMR, Boilo, HDF Laminate Wooden Flooring, Embossed HDF, UV-coated panel, Acrylic hi-gloss boards, and HDHMR doors under the brand name Action TESA. With a combination of technical expertise and an extensive array of designs available in a rich palette, Action TESA products have emerged as the preferred choice for customers. Notably, Action TESA proudly installed India's first and only 7th generation Contiroll machine from Seimpelkamp GmbH & Co., Germany, solidifying its position as the largest engineered wood panel products manufacturer in the country with an annual production capacity of 750,000 CBM. This commitment to innovation and excellence ensures that Action TESA maintains its leading position in the panel industry.

Action TESA has achieved several significant milestones. It introduced the first thin MDF plant in India and currently holds the top position in the panel industry within the country. The company also pioneered the introduction of DOME Technology, providing unique features for each product. Additionally, Action TESA established the first true HDF-based laminate wooden flooring manufacturing facility in India. Furthermore, the company introduced UV High Gloss Panels for the first time in the country. This unwavering commitment to innovation and advancement solidifies Action TESA's corporate leadership position in its respective field.

WHY ACTION TESA

CALIBRATED

With a perfect surface finish due to the 8-Head Sander the panel is precisely calibrated for thickness

UNIQUE QR CODE

Unique QR code, For Authenticity Check

CUSTOMER SERVICE

Toll Free No. 1800 309 0707 for Quick Access

FIRE RETARDANT

Boilo Board - Tested As Per Standard of Fire Retardant Plywood (IS 5509 : 2000) Flame Retardant 3 Times More Against Passing Parameter of IS 5509 : 2000 - Fire Retardant Plywood

BORER & TERMITE PROOF

Say 'NO' to pests, say 'YES' to Boilo, the trusted Borer & Termite Proof Boards

WATER RESISTANT

"The HDHMR Board is the first choice of consumers and professionals alike, thanks to its highly water-resistant surface."

FUNGAL RESISTANCE

Experience the long-lasting protection with Boilo and HDHMR Boards against Fungal threats

IN-HOUSE GLUE KITCHEN

State of Art Glue Kitchen, Ensuring consistent quality round the year

HIGHER DENSITY

TESA Boards Density is higher than any other board available in the market

ENVIRONMENT FRIENDLY

Environment friendly products for a better world

ANTIVIRO

Shielding against Viral threats, with advance protection. Kills 99.99% Virus, Bacteria & Other Microbes

HIGHER SCREW HOLDING

Unmatched Screw Holding Strength in the Core for long-lasting stability

PRODUCT DENOTES
